WORK EXPERIENCE

- Current
Security Engineer
HWGSababa S.r.l – Verona

Installation, configuration and management at customer of SIEM products (Splunk) and Vulnerability Manager (Tenable).
After an orientation period and some Splunk certifications, I received the assignment to manage the Splunk infrastructures of different customers.
For the new installations, I followed the customer from the initial POC phase to the final delivery. I also develop some custom SPLunk apps for log ingestion monitoring.
- 2018-2022
System Administrator
R.T.C. S.p.A. - Zevio – Verona

On site \ Remote 24/7 Customer support for various customers
After an orientation period and a Windows Certification, I received the assignment of the on-site support of Volkswagen Group Italia.
I was involved as Microsoft Specialist for the “NewAD” project, the migration from old to new global Windows Domain of Volkswagen.
I also received the assignment of management of all Windows machine, in particular:
 - Migration from Windows 2008-2012 to 2016-2019
 - Migration from SQL Server 2012 to 2019
 - Update management through Windows SCCM
 - Main service management (DHCP, DNS, DFS, IIS)
 - Windows Security bulletin management
 - New server installation from customer requests

- 2015 – 2018 System Administrator
Dodifferent S.r.l. – Verona

I was the only Sysadmin in the company, responsible of all network device and servers.
All servers (mail, app and database) was Linux based (Debian or CenOS).
During my working period, the company grows from 20 to 50 employees, split in two different site, the secondary one in Milan.
All the IT infrastructure was renewed in order to manage this expansion.
In particular:
 - Redraw of VMWare infrastructure from a single node to 3 node cluster
 - Redraw of company network
 - Network security and VPN with Fortigate firewall
 - New Mail server with Zimbra, hosted in Amazon EC2 cloud
- 2014 – 2015 First level Helpdesk
Infogest S.r.l. – San Martino B.A. – Verona
- 2013 “Ebay” virtual shop manager
Faichim S.r.l. – San Giovanni Lupatoto - Verona

Two months intership
R&C Lab S.r.l. – Altavilla Vicentina – Vicenza
- 2012 Translator for Microsoft Visual Studio 2012 on-line guide
